

*Santa Experience*  
Session Guide

# The Session

These are fast paced sessions, booked back to back. Due to this, I am unable to go over your allocated time. Please arrive on time, your designated shooting time begins at the booking time. You won't be able to enter the studio until your session time.

If you are concerned that your child may be scared of Santa, I will shoot some photos in the set without Santa FIRST, before bringing Santa in. As mentioned on the website booking I will endeavour to achieve the bests photos I can, but cannot be held responsible if your child is unco-operative on the day.

Please bring some of your child's favourite snacks (bribery) and a water bottle for young children.

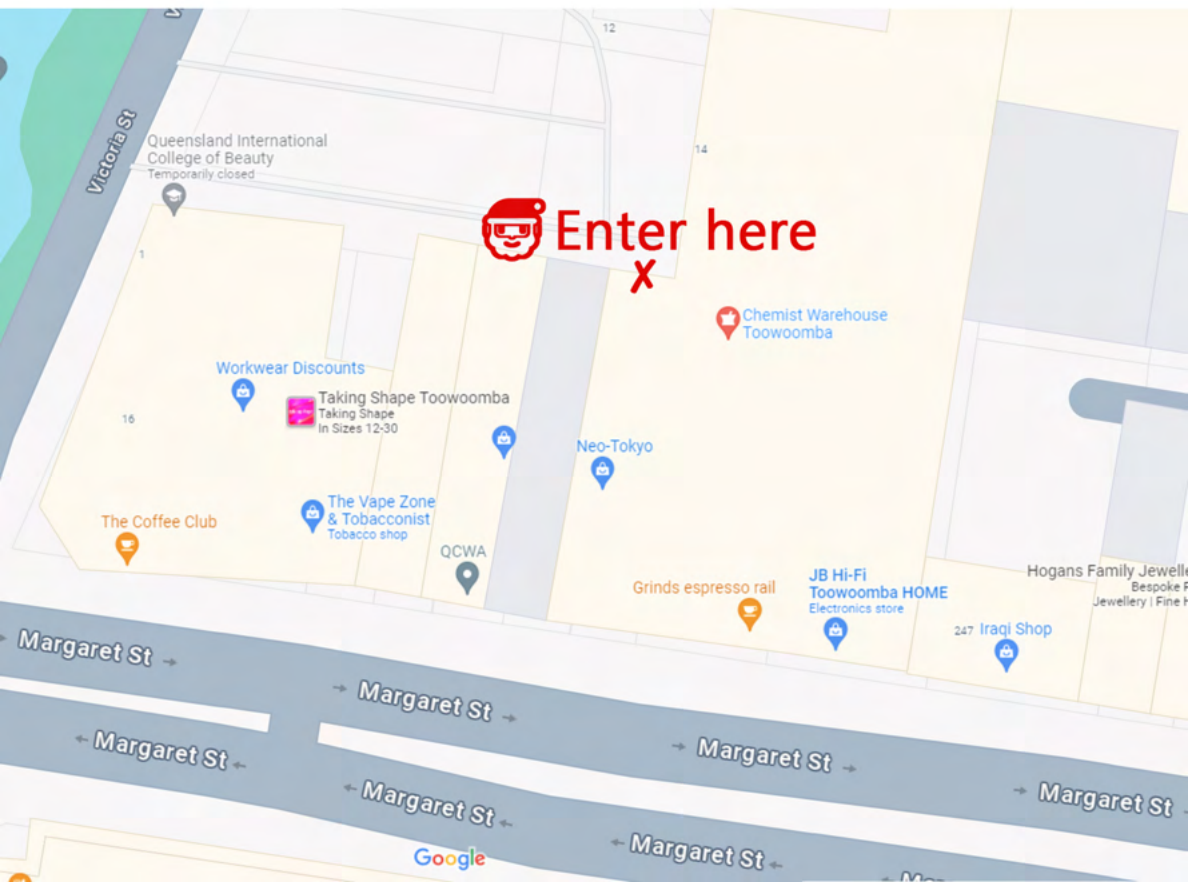

PLEASE NOTE: Everyone should be dressed, ready to go, as there will no time to dress them in studio.

# Location

Santa sessions have outgrown my studio!

This year my Santa sessions will be held at the back of Neo-Tokyo, 259 Margaret Street, Toowoomba City, via the rear entrance.

This can be accessed via the carpark behind Chemist Warehouse on Victoria Street.

# Questions?

If you have any questions, please contact me before the day by email, text or phone.
